

2015- 2016 Verification Worksheet Independent Student

Your 2015-16 FAFSA was selected for process called verification. At this point, our office is required to compare the data entered on your FAFSA with your 2014 tax information (if applicable) as well as the information you provide on this worksheet. The law requires that we, as financial aid administrators, must complete verification before awarding Federal Student Aid. If we discover that there are differences, your FAFSA may need to be corrected. Also, we may request additional information. You must complete and sign this worksheet, attach any required documents and submit to the Financial Aid Office.
